Dr. Lu Yuan, ScD, CSP is a Member at Large (2018-2019) of the International Society for Occupational Ergonomics and Safety (ISOES). He is Professor of Occupational Safety, Health, and Environment and Undergraduate Coordinator of Department of Industrial and Engineering Technology at Southeastern Louisiana University. His research interests include exploring exposure assessment methods, especially biomechanical models and computer simulations, to evaluate occupational and environmental safety and health. Dr. Yuan has been extensively involved in ergonomic research in construction and other industrial sectors. He is a professional member of American Society of Safety Professionals (ASSP) and currently the Administrator of ASSP's Academics Practice Specialty. He was selected for the ASSP 2015 Outstanding Safety Educator Award. He has been a member of Human Factors and Ergonomics Society (HFES) Occupational Ergonomics Technical Group since 2006 and he has been approved as a Commission Member of the ABET (Accreditation Board for Engineering and Technology) Applied and Natural Science Accreditation Commission (ANSAC) since 2016.
