

INTERNATIONAL SOCIETY FOR OCCUPATIONAL ERGONOMICS AND SAFETY

EXECUTIVE COMMITTEE

BIO SKETCH

UDEMBA CHIEMEZIE ANTHONY

PhD Candidate & Researcher

Department of Industrial, System, & Manufacturing Engineering

Wichita State University-Kansas

Wichita, KS, 67260

E-mail: caudemba@shockers.wichita.edu

Udemba Chiemezie Anthony is a member (2018-2021) of the International Society for Occupational Ergonomics. Tony is a Ph.D. candidate and research at Wichita State University-Kansas. Currently working with the industrial energy assessment funded by the United States department of energy. He has been the recipient of several honors and awards, an active member Association for Institute for Supply Management, Supply Chain Management, Institute of Industrial, System, and Manufacturing Engineer. Also, a peer reviewer for several high-quality journals and conference papers. His research focuses on human factors and safety with the supply chain. Tony graduated from the Nnamdi Azikiwe University, Awka – Nigeria, University of Aberdeen Scotland-United Kingdom, and Colorado State University-Pueblo. He received a couple of degrees from these countries which include: a degree in Chemical Engineering, Oil and Gas Chemistry, and Industrial, and System Engineering. He believes that “educating the mind without educating the heart is no education at all” and it always seems impossible, until it’s done, and has been fortunate to have great learning experiences in the industry.
