Anand Subramanian is a Principal at JFAssociates, Inc. based in the Washington, DC area. Dr. Subramanian has a Doctoral and Masters Degree in Industrial Engineering from the University of Cincinnati, Ohio. He is a Certified Six-Sigma Black Belt and a Certified Professional Ergonomist. Since 2003, he has been associated with JFAssociates, Inc. and his responsibilities include experimental design, data collection, statistical data analysis, data modeling, and reporting. His areas of specialty include time and motion studies, process improvement, ergonomic evaluations, economic analyses, facilities planning, and warehouse design. He has co-authored more than 40 publications and conducted research and consulting in applied industrial engineering, time studies, occupational ergonomics, safety, and process improvement and has made presentations at a number of prestigious Industrial Engineering and Ergonomic conferences.

Dr. Subramanian is co-author of Product Development- A Structured Approach to Consumer Product Development, Design, and Manufacture - Second Edition published by Elsevier in 2014. From 2007 to 2011, he served as the managing editor of the International Journal of Industrial Engineering - Theory, Applications and Practice. In 2015-2016, he was the President for the International Society for Occupational Ergonomics and Safety (ISOES). Currently he serves as the co-editor of the Industrial and Systems Engineering Review (ISER) an open access journal (ISSN# 2329-0188) aimed at the advancement of industrial and systems engineering theory and practice as applied to any enterprise system. From 2011 to 2016 he has also served on the board of directors for the Institute of Industrial Engineers (IIE) National Capital Chapter.

Credentials and Professional Honors

PhD, Industrial Engineering, University of Cincinnati, 2007

MS, Industrial Engineering, University of Cincinnati, 2004

BE, Production Engineering, University of Mumbai, 2001

Certified Professional Ergonomist, #1367

Certified Six-Sigma Black Belt (CSSBB)

OSHA 30 Certified
